Please briefly present the organisation/group (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff, learners and members of the group)

Mine Vaganti NGO is a non-profit organisation established in Sardinia in 2009, whose services encompass Education and Training, Project Design and Development, Thematic Research, International Mobility, and Consultancy - in Youth, Adults, Education and Sport sectors. MVNGO has 3 offices in Sassari, Olbia and Tempio Pausania impacting the North of Sardinia and reaching out with its operational branches to many other regions in Italy, around Europe and beyond.

TEAMWORK

The members of MVNGO operate in dedicated teams to create, develop and implement international projects in research, innovation or exchange of good practices sometime reaching the target via seminars and/ or training courses.

Among the MVNGO working-teams, there are trainers/facilitators (Salto accredited) that enjoy a vast experience and willing to be involved for the implementation of proposed projects.

The organisation is composed of 10 full-time staff members, 15 co-workers employed on a temporary basis under different mobility programmes, and a pool of 70 externals contracted on a yearly / or project basis.

MISSION

MVNGO promotes intercultural dialogue, social entrepreneurship, social inclusion through Sport, Formal and Non Formal Education including disadvantaged targets as migrants and people with disabilities.

SERVICES

Project Design, Management and Implementation, Thematic and Desk Research, Stakeholder Engagement, Impact amplification, Dissemination, Communication, Exploitation [DEC], International Mobility, Training, and Consultancy are the core services of MVNGO at local, regional and European level for public and private bodies. MVNGO promotes and develops European and transcontinental projects – in the above-mentioned sectors.

PROGRAMMES

MVNGO works on Erasmus+, Horizon Europe, Europe for Citizens, Creative Europe, EuropeAid, Life, the United Nations (UNDEF) CERV Act Stronger, and with foundations such as EYF, Fondazione con il Sud, Anna Lindh and Open Society.

AFFILIATION

MVNGO is part of 3 international networks such as YEE, ISCA and MV International. MV International (MVI), “the Network of Mine Vaganti NGO”, is a network of 37 European NGOs, 8 associate organizations from Africa, Latin America and Asia, that promotes participatory planning between NGOs).

To strengthen operations and outreach, MVNGO is affiliated also to local Foundations such as: Fondazione Con Il SUD, Fondazione Banco di Sardegna, among others that align foregoing programme scope and priorities.

Furthermore, MVNGO is currently involved in more than 100 KA2 Strategic Partnership projects/Collaborative Partnership projects (VET, Adults, Youth, Schools, and Sport).

As official member of the Pact for Skills from March 2024, MVNGO will contribute together with other organisations to: build strong skills for partnerships (in the context of new proposals to be developed); promote a culture of lifelong learning for all, implementing tailored training activities aimed at re-skilling specific target groups (adult and VET learners, mainly coming from disadvantaged backgrounds); identify skills supply and demand, in the context of tailored research analysis; contributing to develop a culture of gender equality in the green job market sector, providing training opportunities for women to facilitate their

involvement in the green market entrepreneurial market.

MVNGO is structured into **6 WORK DEPARTMENTS**:

1) MVNGO PROJECT & Research hub

This department overarches execution and account of high-end tasks in project design, - that pertain to strategic cooperation in all the frames of Erasmus+ (Youth, Adult, VET, Schools, Sport) and other European/international programmes (e.g. COSME, Horizon Europe, JUSTICE, AMIF.), as well as performance in specialized tasks in (academic / citizen) research and elaboration of project initiatives and implementation - coordinated/partnered by MVNGO.

1) MVNGO ADULT & Training department

Specialized in training and project design, coordination and partnership tasks, MVNGO Adult & Training department is active in the field of Erasmus+ Adult education programmes, as well as in initiatives under programmes external to Erasmus+ at local, regional, national and international level. This department encompasses professionals in the fields of project design and education (formal and non-formal) tailored to the needs of an Adult audience, including the use of Coaching as a tool for professional and motivational orienteering as well as development.

Managing as a sending organization Adult trainings and study visits in Europe and beyond. include staff members of the NGO itself taking part in a series of Training Courses and Job Shadowing - and deploys a high level of competence and expertise in addressing the needs of an Adult audience.

At local level it coordinates activities that directly target Adults by educational means in cooperation with private foundations, such as “Fondazione Banco di Sardegna” as a pathway of employability and participation for disadvantaged Adult categories, including sensitive targets.

MVNGO is currently involved in KA1Adult training projects and providing of Adult trainers

2) MVNGO VET & HEI mobility

Promotion and Management of international mobility for High School and University_students, find dedicated internship opportunities in the frame of Erasmus+ and_University students. MVNGO & VET mobility was initiated in 2014 and since then this department coordinates the “National Higher Education Consortium” (NHEI), as one of only 3 NGO’s in Italy. MVNGO has been accredited to proceed with NHEI for the period 2021-2027. The Consortium involves 8 Italian Universities: Università Tor Vergata di Roma, Università degli Studi di Sassari, Università degli Studi di Cagliari, Università degli Studi di Foggia, Accademia di Belle Arti di Macerata, Università degli Studi di Enna KoreAcademia di Belle Arti Mario Sironi and Università degli Studi di Messina

3) MVNGO SPORT branch

Founded in 2012, the MVNGO Sport Branch works on projects dealing with Sport and Non Formal Education. Composed by 8 active members, among whom are 4 international sport professionals / athletes, the aim of MVNGO Sport Branch is to foster and improve the use of NFE and Sport combined, as a tool for education; social inclusion; mutual understanding; entrepreneurial development and leadership.

4) MVNGO YOUTH division

In charge of organising, implementing and reporting Erasmus+ K1 Youth and EYF projects, Youth Exchanges and Training Courses with Non Formal Education Methodology. the MVNGO Youth Division furthermore delivers its expertise in Non Formal Learning methods to external NGOs based in Italy and across

Europe for the purposes of implementing high quality Youth Exchanges and Training Courses. The MVNGO Youth Division is involved in the implementation of extra-European Youth Exchanges and Training Courses in Africa, South America and Asia.

5) EDTECH BRANCH

MVNGO recognises the value of technology applied to education and promotes its adoption in formal and non-formal education contexts. Our organisation implements projects characterised by the production of digital outputs - platforms and learning management systems [LMSs], e-learning courses, online

modules, educational games [gamification, serious games, gameful design] - to improve the quality of education in terms of user satisfaction and enhancement of learning outcomes. To this end, MVNGO forges partnerships and synergies with various national and international hi-tech companies and start-ups in the EdTech field, as well as with universities and research centers to propose increasingly advanced learning models tailored to specific levels of knowledge and target users. In the research area, the organisation makes use of consultants and researchers in the field of education technology, turning its attention to the study and use of AI and deep learning algorithms, Big Data and learning analytics, advanced models of Digital Game-Based Learning [DGBL], narrative learning and Digital StoryTelling [DST], interactive movies and branched videos. In 2023, the organisation has been granted for its first **Forward-Looking project [VIRTUAL AUDITORIUM]**, approaching the topic of applying new and emerging technologies (such as Artificial Intelligence) to Education and Training schemes.
