

ERASMUS+ CAPACITY BUILDING IN THE FIELD OF YOUTH DEV MIGRA NEWSLETTER

We are excited to bring you the second Newsletter of the DEV MIGRA project, which aims to empower youth workers and first-generation young migrants by providing support for integration and skill development. The project seeks to enhance employability, promote skills, and facilitate integration into society for young migrants. In this newsletter, you will be reading about project updates, meetings, events and results

KICK OFF MEETING

The Project Kick-Off Meeting was held in Malaga, Spain, on June 18th and 19th, 2024. Consortium partners convened to discuss and strategize their upcoming plans to achieve desired outcomes and organize events. The meeting also provided an opportunity for partners to meet face-to-face, fostering stronger relationships among them.

MANUAL: MEDIATION SKILLS FOR YOUTH OPERATORS

The DevMigra Erasmus+ project is excited to announce that the "Mediation Skills for Youth Operators" manual will soon be available on our website—stay tuned! This comprehensive resource is designed for youth operators working in migration, education, and non-formal learning, equipping them with theoretical knowledge, methodological guidelines, and practical tools to effectively support young migrants and enhance their professional development.

PARTNERS

- **Asociacion Juvenil intercambia, Spain**
- **MV International, Italy**
- **CHABIBEH SPORTING CLUB, Lebanon**
- **Jordan Youth Innovation Forum Society, Jordan**

UPCOMING TRANSNATIONAL PROJECT MEETING

The Mid-Term project meeting is scheduled to take place in Beirut, Lebanon, in March. This meeting will provide an opportunity for partners to review the project's progress and determine the necessary next steps.

UPCOMING TRAINING COURSES

The training courses will take place in all partner countries, including Spain, Italy, Lebanon, and Jordan, during the month of April. Each partner organization will be represented by one expert trainer and five youth workers who focus on supporting migrants. If you want to participate, send applications to your partner countries.
